

Section B: Your health

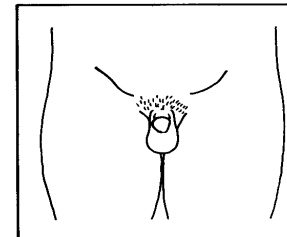

Section C: Your personal experiences

Picture A

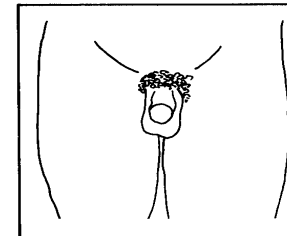

No hair; testicles and penis same size as when you were younger.

Picture B

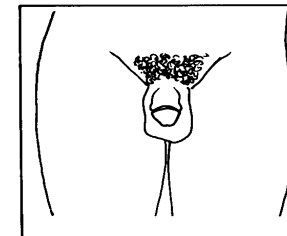

Very little hair; the testicles have lowered a bit and the penis is a little longer.

Picture C

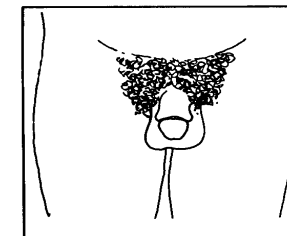

Quite a lot of hair; the testicles are larger and the penis is longer.

Picture D

Quite a lot of hair but none on inner thighs; the testicles are darker and bigger than before and the penis is longer and wider.

Picture E

More hair and some hair on inner thighs; the testicles and the penis are the size and shape of an adult.
