

Section C: Your personal experiences

Picture 1

No hair; testicles and penis same size as when you were younger.

Picture 2

Very little hair; the testicles have lowered a bit and the penis is a little longer.

Picture 3

Quite a lot of hair; the testicles are larger and the penis is longer.

Picture 4

Quite a lot of hair but none on inner thighs; the testicles are darker and bigger than before and the penis is longer and wider.

Picture 5

More hair and some hair on inner thighs; the testicles and the penis are the size and shape of an adult.
